

## Wildlife Instructor (CRWI®)

Bob Ross Wildlife painting is a unique technique developed in keeping with the world-famous Bob Ross style.

The *Level I Wildlife Seminar* will provide you with the basics for painting and teaching realistic wildlife paintings. You will learn how the special wildlife paints, brushes and mediums differ from other Bob Ross materials. Also, how to paint realistic eyes, different types of fur and hair. You just will not believe the beautiful animals you'll be painting after only one wildlife seminar. The Saturday wrap-up session will include the presentation of lovely Attendance Certificates.

The *Level II Wildlife Seminar* is the next step. You must have completed the Level I Wildlife Seminar before enrolling in this level. You will enjoy advanced painting projects and gain additional skills necessary to become an effective and motivating wildlife teacher. Attendance Certificates will be awarded during Saturday wrap-up session.

The *Level III Wildlife Seminar* is the final step towards becoming a fully-accredited Ross Wildlife Instructor. You must have attended Wildlife Levels I and II to attend this level. This session will feature more advanced painting projects and teaching skills. Promotion, class set-up, job opportunities, product sourcing and other valuable information are discussed.

During the final Saturday wrap-up session you will receive your well-earned Wildlife Certificate and then it's off to start your new career as a fully accredited Certified Bob Ross Wildlife Instructor!

## Bob Ross Wet-on-Wet Technique® Teacher Training Seminars

### Landscape Instructor (CRI®)

The *Level I Landscape Seminar*, taught by Bob's personally appointed teaching staff, provides the foundation needed to develop your Bob Ross Method painting skills. Emphasis is placed on proper use of painting tools and on the various techniques involved with completing Bob's landscape and sea- scape paintings. This is by far one of the most exciting five days you'll ever experience. The friends you make are for a lifetime. Issuance of Attendance Certificates takes place during the Saturday wrap-up session.

The *Level II Landscape Seminar* is the next step. You are required to complete a Level I seminar before entering this Level II. You will work on more advanced projects to further perfect your painting skills. You will also receive special coaching on becoming an effective Bob Ross teacher, motivating beginners and correcting your students' mistakes. You will receive your Attendance Certificate during the Saturday wrap-up session.

The *Level III Seminar* is the final step before becoming a fully accredited Bob Ross Instructor! Registration is limited to those who have completed Levels I and II. This session will feature more advanced painting projects and further honing of teaching skills and demonstrations. Product sourcing, class setup, promotion, opportunities and other information for a new Bob Ross Instructor are discussed. On Saturday, special closing ceremonies and presentation of final certificates. Then it's home to start a glorious new life as a Certified Bob Ross Instructor!

### Floral Instructor (CRFI®)

Bob Ross Florals is a unique painting technique developed by artist Annette Kowalski and taught by a specially trained and accredited team of Floral Instructors.
